

UPCOMING CONFERENCE SEMINARS: SAP MMWM, FICO, BIBW, HR Modules – Free Invitations

INSTRUCTIONS TO JOIN OUR CONFERENCE SEMINARS/TRAINING/DEMO

- All the seminars/presentations/demo's/training listed in this document are free to attend
- All meetings are scheduled in EST, ensure you convert the EST timing into your time zone
- Your cooperation is highly appreciated to keep our conference environments professional and valuable
- All the sessions are purely knowledge based – the managers, trainers, presenters or hosts can only address subject related topics or questions. Kindly refrain from asking questions that is not related to the subject/topic.
- Any sales, schedule, placements, costs, feedbacks or other questions please email training@101erp.com or sap@101erp.com or hr@101erp.com
- Please ensure your phone is always on mute, you can either use the mute functionality on your phone or the tool that you are using to connect to the session can be used to mute as well
- Please ensure you have high speed internet service for a better connectivity, the sessions works well only with high speed broad band internet connections
- During technical difficulties if you get disconnected from the meeting or audio conference, please dial back in again to the same meeting and dial into the same conference number again
- We try to keep our conference environment professional and friendly to our participants and the same is expected from all participants & hosts, if you have any complaints or concerns please do not hesitate to contact us.
- Your feedback is always appreciated for our quality service. At any time if you have something to say for our improvements or problems, we will be happy to hear and work towards making things better.
- If you are joining first time thru the meeting tool (webex or gotomeeting) then it might take some time to install and run but not more than 10 mins- again depending upon your speed. Please click on the meeting link when it is time to join the meeting or look for the meeting link in your email or copy paste the meeting link to your browser and provide your personal email id, name, password (if asked) etc and join the meeting. Once you join you should be able to see the presenter's screen/computer. Also, you need to dial into the conference call to hear what the trainer is saying, or else you can use the speaker/mic, if you have good internet connection.
- Please check for updates always on our twitter notice board: <http://twitter.com/#!/101training>
